# Producer's Message

The popular and unique Auburn Home Show is coming to the beautiful Gold Country Fairground with over 1,200 exhibits showcasing products and services for you home, garden and gracious living.

TV celebrity Nadia Geller of TLC heads up the special features. Restaurant Chef's will show off their secrets during cooking seminars.

Tour the 1200 sq ft green pre-fab home, "Sonoma House", a gorgeous barn style granny home with several eco-friendly options. Throughout the show, "green" exhibitors will also be identified.

Stunning landscape vignettes in natural settings are a signature of this show. Le Conchetto is creating a fantastic outdoor display that partners a variety of companys for a complete backyard. Landscapers Meadow is a crowd pleaser with garden displays under towering trees.

Visit the Mega Prize Building or any of the vendors offering prizes to try your luck. The show is large, plan on spending the day.

# Le Concerto

THE ULTIMATE DREAM BACKYARD DISPLAY

A large, multi-company landscape display is featured at the Auburn Home Show. Incorporating design ideas such as custom fireplaces with waterfalls, artistic iron work, and "green" landscaping, Le Concerto will showcase a conceptual landscape idea that will make any homeowner drool.

Featuring work by Décor Decorative Concrete, Earthly Wisdom Landscape, Irish Iron, Diablo Grills, and Patio Perfections this stunning landscape feature is one not to be missed.

The Le Concerto display blends many designs, including some features such as luxury bbq islands as built by Diablo Grills and surfacing from Décor Decorative Concrete.

# Stunning Landscape

IN NATURAL SETTINGS

Meander through the Auburn Home Show and be amazed at all of the stunning landscape vignettes showcased throughout the fairgrounds. Discover waterfalls flanked by tall trees, marvel at the outdoor kitchen areas with bubbling fountains, and stroll through the Forest Walk where a small trail leads you past many spectacular displays.

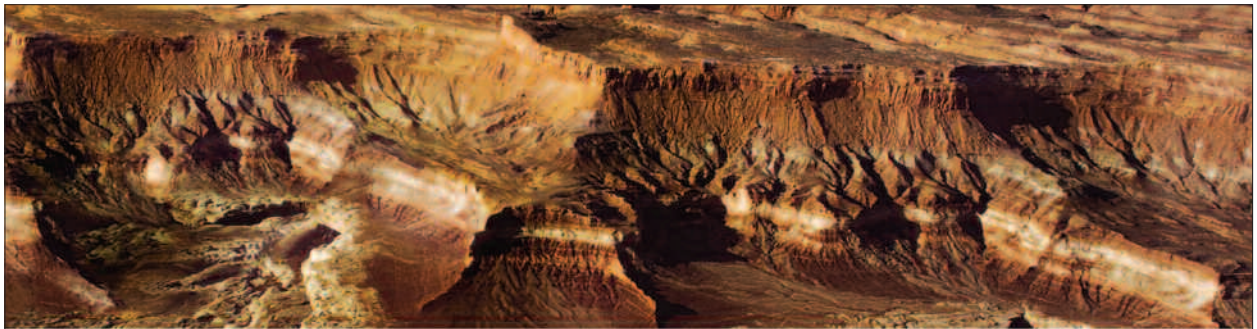

Gain valuable ideas with examples of hardscapes, waterfalls and fountains, as well as xeriscaping, a growing trend in the eco-friendly environment. There will be many experts on hand to offer tips and suggestions for your own backyard.

The landscape displays are one of the biggest highlights and this year will not disappoint. The setting of the Auburn Home Show allows landscapers to play off of the natural backdrop and create some truly stellar display.

Eisley's Nursery will be handing out gladiola bulbs to the first 500 visitors daily.

The Auburn Home Show is known for the fabulous landscaping displays.

TAKE ADVANTAGE OF CURRENT DISCOUNTS

Whether you are decorating, building, remodeling, or looking to buy, the Auburn Home Show is the one-stop-shop for all of your home and garden needs! Vendors are offering special discount pricing during the show to stretch your buying dollar.

Several companies also have Merchant Coupons that can be printed from the Auburn Home Show website ([www.auburnhomeshows.com](http://www.auburnhomeshows.com)). These offer incentives to purchase at the show.

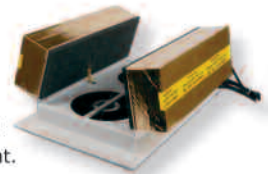

From windows to gutters and counter tops to cabinets this "three day sale" of sorts is the best place to get the most bang for your buck!

**Fresh** thinking for the air you live in.

**Whole house fans are a smart solution to high home cooling costs.**

- Save hundreds, possibly thousands of dollars in air conditioning costs this year!
- Reduce your carbon footprint.
- Improve indoor air quality.

Quiet, maintenance free fan systems push heated air out of the home and draw in cooler air from the outside. Independent lab tests prove our product is the most effective on the market. Our superior quality units are assembled in the USA.
